Host Site (farm) Participation

Confirmation of Liability Insurance

Host Site Name: _____

Owner(s): _____

Manitoba Open Farm Day is an agricultural awareness event occurring throughout Manitoba – hosted by Manitoba Association of Agricultural Societies. It is a one-day event where host farms/agriculture sites open their gates to the public to learn about agriculture, food production and farm living.

A safe environment is paramount to the Open Farm Day program which requires all participating host farms/sites to provide proof of adequate liability insurance coverage for having a number of visitors on their farm/host site.

I, _____ of _____

Confirm that _____ holds the necessary and required liability insurance for having a number of visitors on their farm/host site during Open Farm Day, Sunday September 15, 2019.
