^o"Mr. Webster does not suit as a store clerk here. His former associations F. Matheson to James Thomas, Telegraph Creek, 17 October 1905; and somewhat stiff dull character unfits him for such duties, but being strong and shrewd enough and a good enough fellow otherwise he should turn out better at Liard where he will have plenty time to turn around. I have at any rate led him to hope that if he can handle the business he may get charge when Mr. Munro leaves next summer."
